** **Web Files** are 600 pixels on the longest side of the image, contain a 719Seniors logo, and are optimized for emailing and online sharing (MySpace, Facebook, etc.). Web Files are not intended for and may not be used for prints/reproduction and can be used for personal, non-commercial use only.

All prints are professionally retouched, edited, and corrected before they are printed by our professional photo lab on Kodak's Endura professional photo paper. The quality of preparation and professional printing ensures a lifelong enjoyment of your keepsake photographs.

Great Keepsake Products

Get the Files! Full Resolution Digital Files from Your Senior Session on CD/DVD \$500*

- All images in your gallery are included.
 - Images are adjusted for color and contrast.
 - Images are NOT individually retouched, but a skin-smoothing process is applied to each image as needed.
 - Printing/usuage rights for PERSONAL USE included.
 - Because photo labs use different equipment, photo paper, color profiles and the quality of labs varies greatly, we cannot guarantee the quality of prints made by labs other than our chosen lab.
- *\$800 for an entire Senior Friend Session (one copy for each senior)

Senior Albums

Albums are custom designed for you, no templates here! These are not press printed albums, they are printed on genuine photographic paper and then bonded together. These albums have at least 20 pages and come in a variety of cover materials or your favorite image on the cover!

- Start with 20 different pictures to include in your album and then add more if you want.
- Price includes the first 10 pages (20 printed sides).
- Our custom-designed albums entail 20+ hours of image preparation and design.
- Additional pages and images can be added (see prices below).

See more images of our Albums here: <http://719seniors.com/blog/archives/393>

Additional copies of the same album are 40% off.
